MSEDAs Christine Brown Memorial Scholarship

I have learned that certain people will have a permanent imprint on your life and they will always stick with you. Those people are there for you in mundane everyday matters, when things get tough, or when you're celebrating and happy. Christine Brown was one of those people for me. She was not only my friend, but she was a mentor, a trainer and a life coach. She always wanted the best for me, a quality that is rarely found. This scholarship is a perfect way to honor her, doing something in her name to help someone else. That was Christine. She gave her time generously helping others, whether they were 2 legged or 4. - Megan Lynn
